# GET INSIDER ACCESS TO WHAT'S NEW/NEXT IN SAN FRANCISCO

## BAY TO BREAKERS

May 21, 2017  
Various Locations

San Francisco adds its own flavor to what sounds like it could be any other 12K marathon. If you've never taken part in Bay to Breakers, this is a true San Francisco experience that you won't want to miss. If you're not committed to running (or walking) from the Bay to the Pacific Coast's Ocean Beach, join the locals and camp out anywhere along the route. This is where the true fun happens.

**Insider Tip:** Start getting your costumes ready - neither participants nor spectators hold back when it comes to their festive ensembles.
