GET INSIDER ACCESS TO WHAT'S NEW / NEXT IN SAN FRANCISCO

TEQUILA MOCKINGBIRD

86 Second Street
San Francisco, 94105

There's a new kid on the block in SoMa, and we're not mad about it at all. The new cocktail bar explores tequila based concoctions, ranging from spirit-forward drinks like the Oaxacan Old Fashioned to the easy sipping cocktails like its namesake - Tequila Mockingbird. The space is small and intimate, so grab a spot at the bartop or in the private booth upstairs.

EARTH DAY 2017

Civic Center
April 22 | 10 AM - 6 PM

Here at W San Francisco, we are committed to reducing our ecological footprint, moving forward with zero waste and conserving our natural resources. Last year, we became one of only five hotels in North America to achieve LEED Platinum certification. This year we'll be celebrating our planet Earth with the rest of the city at Civic Center. Live music entertainment, educational panel discussions, organic celebrity chef showcases, and more.
